

Client-Sudarshan Silks

Our Service to Sudarshan Silks was mainly into Social Media Marketing

The Agenda of the marketing plan is to promote showroom and gain more walk-ins into the showroom, hence targeted social media platforms like Instagram, Youtube and facebook.

Bloggers and Influencers play a crucial role in getting people talk about your product or service. We make it easy for a brand by identifying the right partners, putting together the ideas and ensuring each one matches up to the brand's expectations.

Youtube Content

Youtube videos helps to reach more target audience,hence Ads were conducted inside the showroom with celebrity artist explaining about brand and product varieties.

Below are some you tube links we worked with.
